

CHORUS

I am nothing without You
I am nothing without You
I am nothing without You
I am nothing without You

VERSE 1

Here in this space
I fall at Your feet
And in my surrender
I accept my defeat
Finally I've relased
Only You know the plan
For the rest of my life
I lay it all in Your hands

CHORUS x2

VERSE 2

I'm just a fool
I'll never understand
How much You love me
And how much You care
So how can I thank You
For all that You've done
For all that You're doing
All the victories You've won?

CHORUS x2

BRIDGE 1 x2

You are all I need
You're my everything

BRIDGE 2

You are all I need (I am nothing without You)
You're my everything (I am nothing without You)

CHORUS x2

OUTRO x2

You are all I need
You're my everything
