VERSE 1

I was frightened and confused
When the angel spoke the news
That I would be a mother soon
The Son of God within my womb
He said 'The Lord is with thee'
But how could it be
That my God has chosen me?

CHORUS

So I say 'yes' to You
'Cause I trust in what You'll do
I say yes to You
Cause I know Your word is true
Even when it's hard to see Your plan for me
Your servant I will be
I say 'yes' to You
'Cause I trust in what You'll do

TAG

I say 'yes' Hmm
I say 'yes' Hmm

VERSE 2

The angel said I'm full of grace
And that the Lord is in this space
So I rose and went with haste
To Elizabeth's place
She told me I am blessed
As the child within her leapt
To fulfil what's coming next

CHORUS

TAG

BRIDGE

My soul magnifies the Lord
And my spirit rejoices in my God
He has been mindful of my humble state
Generations will call me blessed
